

REMARKS

Applicants respectfully request entry of the following remarks, and provisional election. Claims 56-119 are currently pending in this application. Applicants have canceled claims 1-55 without prejudice. Applicants have withdrawn claims 90-119 without prejudice. Applicants reserve the right to file one or more continuation, divisional, or continuation-in-part applications to any canceled or withdrawn subject matter. No new matter has been added by this paper.

According to the office action, the application allegedly contains claims directed to more than one invention. Applicants provisionally elect with traverse Group I, directed to claims 56-89, drawn to methods of treating cancer.

The office action further requires the election of a single compound (or set of compounds). In response to the requirement for election of a single compound or set of compounds, the Applicants elect anticancer agents, in particular, antracyclin compounds.

Applicants submit that claims 56-65, 67-76, and 78-89 are readable thereon.

Applicants submit herewith a Petition To Revive An Abandoned Application Under 37 C.F.R. § 1.137(B) with provision for the required fee. No other fees are believed to be due for this submission; however, should the Patent Office determine otherwise, please charge the required fee to Morgan, Lewis & Bockius LLP Deposit Account 50-0310.
